HCNY and Its Congressional Medal of Honor Members

Memorial Dedication Wednesday, November 7th – during First Wednesday

Harvard recently commemorated 17 alumni who have been awarded the Congressional Medal of Honor from the *Civil War* through the *Conflict in Vietnam* with a plaque that has been placed in the Memorial Chapel in Cambridge.

Eight of these recipients have also been members of the Harvard Club of New York City and therefore the Club has commissioned a memorial to honor them in Harvard Hall. The dedication is set for November 7 and we invite everyone to attend this important event to celebrate these members who gave gallant and heroic service to our Country. For additional details about this event please see page 6.

DID YOU KNOW? Harvard alumni have been awarded the Congressional Medal of Honor more times than for any other University, with the exception of the Service Academies at West Point and Annapolis. To learn more about this important distinction, please see the book "Crimson Valor" available in the Club's Library or visit the website at <http://www.advocatesforrotc.org/harvard/honor.html>.
